Biography

This week I welcome NAO TAMURA from Osaka, Japan! Short Bio Lives and works in Osaka, Japan DJ for about 25 years. Previous genres. RAVE, NU-NRG, Trance, ACID Techno, Hard House, Techno, Hard Dance, Tech Dance, Hard Style, etc. In 2021, met gizm0x, makers of the TB-303 clone, and moved on to PEAKTIME / DRIVING TECHNO, MELODIC TECHNO, and HARD TECHNO. In the 1990s, influenced by RAVE, he started going to clubs. Influenced by the music and performance of YOJI BIOMEHANIKA, who he met there, he became a fan. From there, he became seriously into dance music and started DJing at clubs in the late 1990s. In the early 2000s, he also experienced event staff. In 2021, became a resident DJ at Profoundradio.com in the UK. Links: linktr.ee/gizm0x www.profoundradio.com @naotamura www.instagram.com/nao_70_tamura_jp track list 01.
