Biography

Originally from Wesel, Germany, and now based in Kangru Alevik, Estonia, DJ and producer OHLOVE! crafts immersive, hypnotic electronic music centered on Afrohouse and Melodic House. Drawing from a twenty-year background in business management, he translates his deep crowd-reading abilities into dynamic performance environments across Europe. His sound comes to life through standard 1.5 to 3-hour sets, building deep connections with audiences on the dancefloor. Throughout his career, OHLOVE! has built an international performance history, taking the stage at venues and festivals such as Ruhr in Love, Electrisize Festival, Tryb Egypt in Cairo, Pulse Club in Bangalore, and events including The Social Club in Tallinn and Tryb. As a recording artist and curator, his musical body of work features original releases such as the track Maneja, as well as signature mixes including Bring the Heat.
