Biography

DJ SoulShaper's musical style is defined by his eclecticism and the incessant search for the sound that no one has heard yet, and his main trend is centered on Deep House, Tech House, Techno and Minimal rhythms. His influences were and continue to be diverse, both national and international, always focused on bringing the most profound grooves to the dancefloors.
You can hear every Saturday, 2pm, Blacklight Sessions Radioshow at https://beachgrooves.com/
