Biography

BRENDON — DJ & MUSIC PRODUCER

Born in Rio de Janeiro, Brazil, and raised in Italy, Brendon brings together two cultures that deeply influence his musical identity.

Driven by a passion for electronic music, his sound moves between Tech House and House, combining powerful grooves, hypnotic rhythms, rolling basslines and distinctive Brazilian influences.

His sets are built around energy, rhythm and connection with the crowd, creating an atmosphere that moves effortlessly between underground sounds and dancefloor-driven moments.

As a DJ and producer, Brendon is constantly developing his own sound and artistic identity, with a release on Cleo Recordings marking an important step in his musical journey.

With Brazilian roots and an international vision, Brendon is focused on bringing his sound to new dancefloors, connecting with different cultures and building his presence within the global electronic music scene.
