Biography

DJ MOLLY is a Latvian Drum & Bass DJ currently based in Berlin, Germany. With 3 years behind the decks, she has developed a distinctive identity through her energetic sets, creative concepts and unconventional approach to the DNB scene.

Blending Jump-Up, Neurofunk and Dancefloor, her sound is built around heavy basslines, powerful drops and high-energy selections.

MOLLY first gained international attention by taking Drum & Bass to unexpected locations, transforming everything from car repair shops and fast-food restaurants to public spaces into unconventional rave spots. Her viral Burger King set reached over 20 million views, while her surprise Drum & Bass session on the London Underground further showcased her creative approach to the scene.

With over 150K TikTok followers and more than 50 million views across her content, she has attracted attention from major DNB platforms, including DNB Allstars, which has featured and shared her work.

Having performed across Latvia, Germany and Denmark, including headline appearances in Denmark and support slots alongside established artists, MOLLY continues to expand her presence across Europe.

Her mission is to take Drum & Bass beyond traditional club settings, reach new audiences and create unforgettable moments wherever she plays.
