Biography

BIO Forged in the golden era of '90s trance and progressive, NGT (IT) sound is rooted in a lifelong passion for vinyl culture. Spanning from trance to house, his music is defined by rich melodies and a strong character. In 2025 he launched Melodic, a project focused on melodic house and emotional electronic music debuted live at the La notte bianca dei Dj festival and became a monthly show on Ibiza Stardust Radio. He is an integral part of the MyTh Events Management team, delivering high-quality live performances. Since 2026, he has also joined the new project Vibra Progressiva, bringing progressive house music to all Italy stage.
