Biography

I’m a SW born, neurodivergent, original country-rock/pop artist whose live shows bring connection, honesty, and unforgettable energy! Through powerful vocals and epic guitar riffs I bring a vibrant, transatlantic rock sound both solo and with my band.
•Summer 26 singles 200K+ streams and on radio stations world-wide 30,000+ plays inc BBC Introducing
New singles for 2027 plus an EP and tour. • Supported international artists e.g. Joan Armatrading, Martin Barr, Chris Barron, plus national performers Luke Combs UK Tribute, Barefoot Bandits, The Leylines, 3 Daft Monkeys.
Played to over 10,000+ people across summer festivals including Camper Calling, Tunes in the Park, GoldCoast Oceanfest, The Big Feastival, (Solo & Band performances).
Feedback examples, “Live audiences are truly his natural home”, “A multi-dimensional artist on the rise!”
