Biography

DJ NYTK is a New York City based tech house DJ known for driving grooves, crisp percussion, and crowd moving basslines. Blending underground house rhythms with modern tech influences, NYTK delivers high energy sets that keep dance floors locked in from start to finish.

Raised in NYC’s diverse nightlife scene, NYTK’s sound reflects the city’s raw edge and nonstop momentum. His selections are groove focused, rhythmic, and built for peak time moments balancing hypnotic builds with punchy drops that keep the energy elevated.
