Biography

Hello everyone,

My name is Björn Czappa, and I was born on 22 May 1962. I live in Oldenburg, Germany, and work in the medical field.

Music has always been my great passion, and this is what inspired me to introduce myself to you.

For the past eight years, I have been working as a DJ and music producer together with my good friend Frank Koopmann. What started as a shared passion has developed into an exciting creative journey. We are currently working on an original musical that we have written and produced ourselves.

Combining our love for music, creativity and storytelling, we are bringing our own ideas to life.

I would be delighted if you took a look at our project and got to know a little more about our work.

Thank you for your time, and I look forward to connecting with you!

Best regards,

Björn Czappa
