## Biography

I have been fortunate enough to have such a beautifuly busy year from playing the mainstages of Godiva Festival, Birmingham Weekender and Queen's Heath Pride to my first national radio plays. I was even lucky enough to be booked for my first headline at my favourite venue, The Night Owl.
I am continuing working closely with multi-platinum producer, Gavin Monaghan as we gear up to go pedal to the metal for 2027 and I couldn't think of a better stage then that of Dot 2 Dot.
I am sitting on a huge heap of music, co-written and produced by my dear friend and multi-platinum producer, Gavin Monaghan and already have my headline for next year booked in- we are just looking to explore some new cities and boogie with new beautiful faces!
