Biography

Gean Rodríguez is an international DJ and producer based in San Juan, Puerto Rico, bringing more than 18 years of experience to the global electronic music scene. Known for his high-energy house grooves, his sound spans Tech House, House, Deep House, and Minimal Deep Tech, fusing hypnotic rhythms with his Latin roots. Over his career, he has shared the stage with artists including Mau P, Gioli & Assia, Solardo, John Summit, Chus & Ceballos, and DJ W!ld. His extensive performance history includes appearances at Amsterdam Dance Event, We the Future Festival, and Secret Garden, alongside club dates at Balo, Sigma, and Hedge in Ibiza, Pacha in Barcelona, M2 and Mode in Miami, AM:PM in Brooklyn, and venues across Chicago, Orlando, Amsterdam, and the Dominican Republic. Audiences can explore his tracks and DJ mixes on Beatport and SoundCloud.
