Groove Mind is an Italian DJ / producer active for more than a decade.
His eclectic style blends Breakbeats, Bass House, Funk, Soul, Reggae, Swing, Jazz, Glitch Hop and Drum & Bass in an explosion of Bass Music that instills positive vibes on the dance floor!
Passionate about music and sound since childhood, he discovered the world of synths and DAWs as teenager and studied music production and sound design for years. Since then he has produced more than 50 tunes and has played in various clubs, raves and festivals all over the country and abroad.
His debut EP, “Kill your ego”, was released in 2013 on the French label “Digital Whomp” that reaches the No.12 on Beatport Glitch Hop Top 100 Chart.
Since then he has come a long way and and many of his releases have reached No.1 on Beatport and Juno for months.
Over the years his style has evolved producing various genres (Glitch Hop, Breaks, Bass House, Future Funk, Drum & Bass) and differentiating himself for his accurate sound and musical research.
In his career he has released singles and eps on : Digital Whomp, High Scream Records, ChinChin Records, Glitch Hop Community, Adapted Records, SwingSetSounds, Mustbeat, Ghetto Funk, Breakbeat Paradise.
He has collaborated with artists such as: Jpod The Beat Chef, D-Funk, Badboe, Mr. Ours, Grid Division, Ketatonic, Lamuzgueule, Farfetchd, Don Dayglow (AKA Ewan Hoozami), Zenit Incompatible, Ak Sediki, High Step Society.
He had the support of: Hong Kong Ping Pong, Featurecast, Slynk, Defunk.
His tunes are played by hundreds of respectable DJs all over the world.
His sets combine the most advanced harmonic mixing techniques, mashups, acapellas with sounds played entirely live with drumpads. Book him if you want to make your party the best place to go.
