Biography

Hollywood Hyde is a groundbreaking DJ/Producer from Hollywood, California. His musical journey began shortly after graduating high school, were he then went on to school for music production. While in school, he would go to the various record shops all around the greater LA area, collecting vinyl records and rare CD's of his favorite artists. With an ear for great taste in music, the Hollywood native takes inspiration from a wide variety of musical genres, spinning everything from Techno and House music to Hip Hop and Top 40 Radio records. Hollywood Hyde got his start by performing at local open decks at multiple nightclubs, before finally getting his breakthrough at The Virgil in LA. His one-of-a-kind DJ sets will leave you with unmatched, emotional intensity. You can catch him anywhere, from your local Electronic nightclub bringing the dance floor to life or at your local Top 40 Radio & Hip Hop club filled with your latest hit singles and old school jams. Hollywood Hyde is a unique Disc Jockey, with the ability to rock a crowd and flow seamlessly between tracks. The DJ/Producer has performed at some of the best venues all throughout the west coast and currently holds a couple of residencies as a resident DJ in multiple states. This artist is definitely taking his musical art form to the next level with both DJing and Music Production. Hollywood Hyde is an artist who is creating a new wave in the entertainment scene and becoming a staple in the world of music. Make sure to check him out on all of his social media and streaming platforms for all music, events, and upcoming announcements!
