Biography

Thina Phelane, better known as DJ T-LOADED, is a South African DJ, entertainer and founder of T-LOADED ENTERTAINMENT.

Born and raised in Matatiele, T-Loaded built his name in Kokstad, where he became a headline resident at Baha Lifestyle Lounge. His breakthrough moment — "The Return of T-LOADED" at BAHA 6 — cemented him as a crowd favourite and one of the most booked DJs in the region.

His sound is a unique blend of Amapiano, Soulful House, Private Piano and 3-Step — smooth when it needs to be, explosive when the crowd wants it. Whether it's a club night, All White Event, Family Day, birthday or festival, T-Loaded reads the crowd and controls the vibe like few others can.

Beyond the decks, he leads the Baha Saints — a brotherhood built on discipline, respect, and excellence. His mission is simple: to uplift young talent, represent Matatiele and Kokstad with pride, and create experiences where music connects people.

DJ T-Loaded is not just playing music.
