Biography

Facebook Instagram TikTok YouTube Welcome by Gisus, your music dealer. Gisus began his musical journey in the early 2000s, delving into the transformative power of beats. With influences from the early years of Deadmau5 (Random Album Title) and the avant-garde creativity of Boris Brejcha, Gisus has become a visionary in the field of melodic techno with a little progressive house twist.In 2020, Gisus ventured into new territory and founded his own record label, Schmutzig Records. The first release on Schmutzig Records, 'Here I AM', is a testament to Gisus' evolution as an artist. The album masterfully weaves together melodic complexities, capturing the essence of progressive house and melodic techno.Each song is a sonic journey that reflects Gisus' dedication to creating a unique musical experience. Gisus' DJ sets are an amalgamation of his own tracks! (1 / 1) 1
