Biography

Campanian DJ MISTER-X DJ is entering a new, more mature phase of his career by taking on the stage name JO ESSE, a personal shift born following the recent passing of his brother, allowing him to look to the future without forgetting his roots. Active since the 1990s in the province of Caserta—where he debuted in 1998 and led the PRONDERCOM project until 2003—he now focuses his style on techno and progressive house, with energetic DJ sets between 125 and 140 BPM designed to engage the dance floor. Following his 2025 releases (Elias Kinevra and Flora on GothicRecordsLtd) and his participation at MIDANCE in Milan, his journey continues with a signing to the LET'S TECHNO label for the songs Survivor and Unknown (out April 2026) and with upcoming dates at Rovine Future and Casa Sanremo The Club.
