Lexie

Pop-country / Soul

Contact Information

Biography

I'm a British pop-country artist and songwriter now based in Fort Worth, Texas. My music pairs big pop melodies and soulful vocals with honest country storytelling, turning love, heartbreak and real-life dating disasters into sharp, hook-filled songs. Previously signed to Warner Music and Island Records, I've released more than 25 songs and earned Spotify editorial support including New Music Friday. I've toured internationally as TSHA's featured vocalist, performed at Primavera Sound, Fuji Rock and MELT, and supported Take That and The Saturdays. My live show is energetic and polished, with a full band and dancers, but the storytelling stays at the heart of every song. I'm releasing new music and touring across the US and UK in 2027, and Song City's focus on original country and Americana songwriters feels like a brilliant fit for this next chapter.
