Nicolo' Longo

Contact Information

Biography

Nico elle DJ Italian producer to be exact from the Salento land illuminated by the sea and the landscapes that inspire the production bringing emotions poured into the music, Nico approaches the world of djin at the age of 15. So he studies the world of the club well by traveling all over the world, but it was not enough, so in 2022 he received a diploma from a famous Italian Academy, in October 2023 the first EP production (Let's go party) is released.
