Biography

kannstdudrehen is a Germany-based music curator who approaches DJing with a genre-fluid mindset. Identifying as queer and West Asian, the artist purposefully avoids confining their performances to a single style, choosing instead to explore a broad range of energetic dance music. Audiences can expect sets that seamlessly integrate techno, house, EDM, club sounds, and booty shaking music. By focusing on fluid selections rather than rigid boundaries, kannstdudrehen builds versatile atmospheres designed for the dance floor, eagerly anticipating every opportunity to perform and share their music curation with listeners.
