Biography

OPENFORMVT is a DJ/producer duo based in Los Angeles: one from Alabama, one from Slovakia. Their sound moves through tech house, techno, UKG and 140 bass. In 2026 they played dozens of shows and released "All Night" and "Turn It Up" on ThiccFreqness, landing on compilations that broke into Beatport's Bass House Top 100. They also released the NITESHIFT EP with BGZ. Their live sets are built for the dark rooms where those genres collide.
