Biography

Hi, I'm Rachael Watson, a 22 year old singer-songwriter and multi-instrumentalist from the UK. I have many years of experience performing live both individually and in wider collaborations across the UK and internationally. I take inspiration from many genres including folk, soul and jazz, as well as wider context to influence my songs. One of my songs, ‘Byghan Porth’ (Cornish for little bays and coves), inspired by the beauty of rugged Cornish landscapes and rural life, won the MusicEL, Musically Creative Challenge competition, as quoted below.

"This is a mature piece of writing with a very clear structure and storyline. A very atmospheric voice with clear diction and beautiful guitar playing too." – Judges
