Biography

Rare Breed are an original Blues, Soul & Rock n Roll band based in Mossley, Greater Manchester who have developed a reputation as a fantastic live band playing venues and festivals across the North of England.

Akin to power blues rock trios such as ZZ Top, Taste & The Jimi Hendrix Experience the band fuels blues, southern and classic rock sounds into their music. These can be heard on their debut track 'English Rose' released in early 2025 as well as their second single 'Pieces' which won Radio Wigwam's Track of the week. Their latest single 'Good Times' was released in December 2025.

Currently working with Guild Productions their debut Album was released in May 2026, a year in which they will be playing further gigs and festivals across the country.
