Biography

I'm Saffron Gray, the Midlands R&B Princess. Here to serenade the audience into a whirlwind of emotions. To take them on a journey down 'Heartbreak Avenue' at the same time as empowering and encouraging them to be kind to their mind and know they don't 'Walk Alone' make better decision but always be bold and have faith! I am someone who is challenged by anxiety and depression but I do not let it hold me back, I continue to push and hold on to my dreams whilst encouraging others to do the same!
