Biography

Timo Spears is a Finnish pop artist, singer, and songwriter from Pori, Finland. Driven by a deep passion for music and artistic expression, he has developed his own musical identity through a growing discography, independent releases, and a commitment to bringing his creative vision to life.

With six album releases to his name, Timo Spears represents a new generation of independent pop artists who are building their careers through creativity, ambition, and direct connection with their audiences.

His music is inspired by the international pop landscape, with a particular appreciation for contemporary pop, dance-pop, electronic music, and the artistry of iconic pop performers. Through his work, Timo continues to explore different sounds, concepts, and creative directions while developing his own identity as an artist.

For Timo Spears, music is more than a collection of songs. It is a form of expression, a creative journey, and a way to connect with people.
