Biography

Switzerland-based producer and DJ Valdini stands for high-energy yet emotional melodic anthems and sets, accompanied by catchy vocals – ideal for festival moments, club nights and parties.

With a residency at Fabrik Club (CH), Valdini consistently commands crowds of 500+, proving his ability to read a floor and maintain high-energy atmospheres. His prowess in the studio is reflected in a growing discography on acclaimed labels. As a founder of the party label and DJ collective RAVE UP, he is bringing the festival feeling to parties across clubs and events in Switzerland and Austria.

Whether it’s a sun-drenched day party or a late-night club or festival set, Valdini’s mission remains the same: to create a lasting connection through the power of melodic storytelling.
