Biography

I’m X Lor, a Ghanaian singer, rapper, and songwriter driven by emotion, storytelling, and a love for exploring sound. My music blends Afrobeat, R&B, Highlife, Soul, and other influences into what I call ABL (A Blend of Genres), a sound that reflects my versatility and individuality. Through my music, I explore love, life, spirituality, and human connection, creating records that are both soulful and relatable. As an artist, I aim to connect with people beyond borders through honest expression, captivating melodies, and authentic performances.
